## UX/UI DESIGN AND GRAPHIC DESIGN

Motivated and purposeful high school student seeking opportunities in digital media as a UX/UI and graphic designer. I have experience and foundation in UX/UI design, visual storytelling, and user-centered design principles. I have a proven ability to enhance user experiences, create compelling visuals, and collaborate effectively with cross-functional teams.

---

## EDUCATION & CERTIFICATIONS

### Parkview High School

4.250 GPA, 8 AP Courses

Aug 2022 - May 2024

### Harvard University Pre-College Summer Program

July 2024

I participated in the on-campus summer pre-college program. While on campus, I experienced a college-like setting as I enrolled in various college and career readiness courses. I learned the role of digital media in culture, economics, and politics through daily readings, films, projects, and open discussions.

### AP Scholar Award

July 2024

Earned a 3+ on 3 AP Exams

### 4th Place in Georgia TSA TEAMS Competition

February 2024

Developed a research essay about the fundamentals of engineering and its applications, with a building challenge, and an engineering concepts test.

### SheCodes Basics Certification

June 2022

Gained certification in HTML, CSS, and JavaScript

---

## PROJECTS

### Fresh Start

Oct 2023 - Jun 2024

#### UX/UI Design

I created a mock app using Figma, including the functionality and visuals. I researched to understand user goals and motivation concepts.

### Renewable Revolution

Oct 2023 - Mar 2024

#### UX/UI Design

I created the layout for the website including the color palettes, typography, and iconography. I designed the functionality of the website through prototyping. I also assisted web developers in building the website.

### Brand Design

Aug 2024

#### Graphic Design

I created personal branding resources. I further designed primary logos, logo marks, color palettes, and graphics and decided on fonts to build a unique brand identity.

---

## **VOLUNTEER / EXTRACURRICULAR ACTIVITIES**

### **President, Parkview Bible Study**

**Aug 2024 - PRESENT**

I founded a bible study group where Christian high school students read the bible together and discuss its principles. I created a team of officers, found a teacher sponsor, and created slideshows with lesson plans.

### **Vice President, Girls Who Code**

**Aug 2024 - PRESENT**

I assisted the President in conducting monthly meetings and led members in web-design-based projects.

### **Vice President, West African and Caribbean Student Union**

**Aug 2024 - PRESENT**

Assists the President in monthly meetings and maintains contact between members and officers. Also, converses with various clubs and organizations to gain resources and ensure that events occur.

### **Public Relations Officer, Parkview SAVE/SADD**

**Aug 2023 - PRESENT**

Consistently creates posters and social media posts to promote events and share information. I maintained contact with members and officers to facilitate effective communication channels.

### **Graphic Designer, Maggie Walker Project**

**Jun 2024 - PRESENT**

Designs posters, banners, and business cards to promote events and activities. Collaborates with teams to facilitate ideas, innovation activities, and communication.

### **Youth Leader, Scripture Cafe ATL**

**Jan 2023 - PRESENT**

Promotes the youth church through diverse advertising methods including videos, flyers, and social media management. Facilitates weekly prayer meetings, leads scriptural discussions, oversees service coordination, and delegates tasks effectively to ensure smooth operations and engagement of members.

### **Member, Parkview Technology Student Association**

**Aug 2022 - PRESENT**

Participates in local, state, and national competitions focused on technical, artistic, and research careers. Also, volunteers to teach local elementary students STEM principles through creative projects.

### **Member, English National Honor Society**

**Sep 2024 - PRESENT**

I pursue excellence in English language and literature, with active participation in literary discussions, peer mentoring, and community service projects.

### **Member, Science National Honor Society**

**Oct 2024 - PRESENT**

I strive for success in science courses, with active involvement in research, laboratories, and community outreach promoting science education.

### **Volunteer, Mountain Park Library**

**Mar 2023 - Jan 2024**

Arranged books on shelves accordingly and communicated with readers looking for specific information.
